From the East

My Brothers,

I must congratulate all of our brethren for putting on a successful EA degree. Catechism practice is being held Tuesdays and Thursdays at 5:45 pm in the lodge for our new brothers, any who would like to participate or have time to instruct, feel free to attend or let me know.

I would like to take this opportunity to remind everyone of the lodge's upcoming Cajun for K9s event being held at the Little Turtle on Saturday 3/5 at 5:30 to 7:30 pm. We need all hands on deck to help with preparation and serving the food. Contact Bro Casey Roberts to find out how to assist.

Fraternally,
WM: Mattan Newhouse

From the West

Brothers,

I hope everyone is enjoying the winter. It's great to see everyone especially those who are not here all year. The degree team did a fantastic job with the EA degree. We had a lot of fun preparing for it.

Last weekend I had a great time driving one of the go-carts in the Mardi-Gras parade in downtown Cocoa. Unfortunately, we had 2 go-carts without drivers. If any of you are Shriners and want to drive a go-cart, see myself or Cliff. If any of you are not Shriner's and would like to drive a go-cat, see myself or one of the many brothers in our lodge that are Shriners and we can hook you up.

My wife had a CT Scan and she is once again cancer free. I want to thank all of you for your prayers and please keep her in your prayers as she finishes her treatment for cancer. Remember to keep all our brothers in your prayers especially the sick and distressed. I look forward to fellowship with all of you soon.

Fraternally

From the South

It was a busy February as we welcomed two new brothers and had a great visit by Right Worshipful DDGM Dale Shrock. I want to thank the OES for a fantastic meal prepared for the DDGM visit. I would like to continue that relationship with the Eastern Star possibly on a quarterly or even monthly basis. I will continue sending Masonic trivia to those who want to receive it. Please send me your email and I'll make sure you receive it. I don't have everyone's email. I will be preparing some yummy food this month prior to our meetings.

Faternally,
Terry Lewis, JW

DDGM Official Lodge Visit

A Masonic Sense of Humor...

Two candidates were elected to enter on the same lodge night, one was a butcher and the other a sales rep. On the night of initiation the butcher went in first, when it came to the charge at the north east corner it was discovered that he had a quarter pound of liver in his pocket that he was going to deliver on his way home, obviously this had to be taken away. the JD took this to the tyler and said this is the butchers liver, and to this day we haven't seen the sales rep.

From the Secretary's Desk:

My Brothers,

Whenever you visit or call the Lodge you can chat with me about you condition as to why you're current 2016 Dues has not been paid. We are here to assist our members to whom may at some time in their lives come across a situation not of their own making that cause a hardship. At present we have 24 members as of this Trestle Board writing that are still members but could be subject to suspension by year end. First notice will be sent in July and second notice in October. You will receive the last letter in December upon the approval of the lodge members who are present to cast a vote whether to suspend or not. Please do not let your name be mention in December.

Your Lodge has been receiving request from eligible men to become members of our Fraternity. Your presence in the Lodge will give these new candidates a feeling of being a part of Great Men who travel the same road as you did not too many years ago and to keep this fraternal group of fine men alive, we must show how much we appreciate their commitment to be one of us, Honorable and respected in whatever community we may live. My twin Brother **Russell** and I are very well known in Angel City where we live as such as Freemasons. If not already, let the public know what we are the "Oldest Fraternity" in the world and the good deeds we do for our communities. The "**Shriners Hospital for Cripple Children**" is a Great Start for them to know how we help children with charitable contributions of over Two Millions a day from Masons alone.

At present we have 106 members and of this we have 92 members living within 50 miles range of this Lodge and would be great to see at least half of our members attend this Lodge few times a year. To know each other we must first attend and be recognize to each other and finally learn that we have travel the same road in our fields of endeavors. Many of us have worked on the Missile Range from its exception. Come share your experience where you have live the life of making History that no others could ever say about this area. God Bless you all and be safe.

With Fraternal Love,

Rodger Fowler, Secretary
