From the East

My Brothers,

I would like to congratulate our two youngest brethren, Todd Seborowski & John Tweedy, who have both been passed to the FC degree last month, with the help of our brothers over at Harbor City Lodge and Gateway Lodge. Catechism is well off and running, and am looking forward to a joint degree with Harbor City. Practice for the MM degree has been on Wednesdays at 6 pm in Harbor City. Please attend if your schedules permit.

Our only meeting for this month, is Monday, September 12th, and it is also our official DDGM visit. Wear your white tux, and attend the practice the Saturday prior, at 3 pm. I would appreciate if one or two past masters could attend to help us square our corners.

Fraternally,
WM: Mattan Newhouse

From the West

Rather than our usual message from the West, all of the Brothers at Canaveral Lodge have a message of love and warm wishes for our Senior Warden and his wife: Theresa Jones.

From the South

It's been an exciting summer for your Junior Warden and Lady. As most of you know we took a cross country trip which took us through 24 states and 3 Canadian Provinces. Of course I was always on the look out for Lodges. We visited a cousin in Oregon, visited a school friend of Melodie's in Saskatoon, Saskatchewan (which has a pretty good pro football team), my home town of St. Joseph, Missouri, and family in Abita Springs, La. We experienced such beautiful sights that pictures don't do them justice. We were fortunate to meet a lot of people with a lot of stories who also helped with directions and sightseeing info. We live in a great country.

It was exciting to go back to my hometown. I still have family living there and a lot of memories. Almost all of my ancestors were involved with Masonry. In fact, we had the pleasure of touring Lodge #269 which most of them belonged to. It was formed in 1849 and the current building was built in 1910. It's a time capsule which houses a great library of all members for the past 167 years. Scottish Rite, York Rite and EOS meet there as well. It was great to walk through the Lodge on 100 year old wood floors where my ancestors walked. What a great and proud experience. I hope everyone gets an opportunity to experience the same feeling and emotion as I did. Of course, like so many Brothers, I have followed in my ancestors shoes which makes our fraternity the best in the world.

As we move forward, I want all of you to know how special and meaningful Masonry is to all of us. We may not all agree on the current events, but we can all agree to be the best we can be.....Masons.

Terry L. Lewis, JW

From your Secretary

My Brothers, for the past 45 days I have check our Lodge Post Office Box for incoming mail from several of our members, I am very surprise that only two of the eleven delinquent Dues Notices I sent out from early July have come back. In early October I will again be sending out to those who have not responded to their late dues notice and if there is no response, I will be announcing to the Craft those who are currently delinquent in our last meeting in December. Please do not let this happen. Your commitment to our Lodge is very rewarding whether you attend or not. We rather have you visit at least once per year.

On a sadder note, we had two members who are veterans of past wars who gave their time and effort in supporting this Lodge and Freemasonry in general. These dedicated Brothers are Right Worshipful **Donald Charles Pretsch** and Brother **John (Jack) Richard Ensminger** who went to our Celestial Heaven on April 7th and August 6th respectably. Our records do not reflect if anyone has served in the Military and from the members we have there may be only a couple that may have served in WW-II at the very end. Most of us have live thru the Second World War as young children and can remember our Dads and few Moms being active in their service to our

country. In ten or fifteen years we may not have any survivors who fought in that era. God Bless them for their time honor service.

Currently we have two candidates who have gone thru the first two degrees of masonry and each has experiences of the world. Some of you may have the same relationship and would it not be nice to share those same feelings with them. I enjoy companionship with whomever no matter where it comes from.

The Lodge is going thru a makeover and hopefully the City of Cocoa Beach and residence will take notice of how beautiful the area is looking. Share your time by attending a Lodge meeting and add to its history. For the Sisters and Brothers who are members of Canaveral Chapter No. 297, they are in need of attendees to give out smiles and hugs. I like hugs and I am sure you do too. Would be great to share attendance on Friday night or weekend social events.

Do not be bashful, we are all friends of this Fraternity and share many traits of fellowship and we the members wish all many happy memories in our lives. I am here most of the time and my time is your time, please call or visit if able.
