Barry Shaffer, PM
Worshipful Master

Brethren,

A lot is happening at the Lodge, and we want to start by sincerely thanking everyone who has been working so hard on our Lodge remodel. Whether you have contributed your time, talent, labor, or support, your efforts are helping create a better space for our members, families, and guests. Improvements like these are only possible when Brothers come together, and we greatly appreciate your dedication.

As we move into the fall season, we also have several special events planned. At our second meeting in October, we will celebrate Oktoberfest with a special German dinner. We hope everyone will come hungry and enjoy an evening of great food, fellowship, and Brotherhood.

Our first meeting in November will be a special evening as we honor our Past Masters. These Brothers have given their time and leadership in service to the Lodge, and we look forward to recognizing them and thanking them for the important role they continue to play in our Masonic family.

The Lodge and our Order of the Eastern Star will also be joining together to host both a Thanksgiving Dinner and Christmas Dinner. These gatherings are wonderful opportunities to celebrate the season, enjoy fellowship, and strengthen the bonds that make our Masonic family so special. We will share additional details as the dates approach.

Finally, we want every Brother to know that transportation should never be the reason you cannot attend Lodge. If you would like to come to a meeting or event but are unable to drive, please reach out to us. We will do our best to coordinate a ride and help get you there and home safely.

A Lodge is more than a building. It is the people who fill it, the fellowship we share, and the way we look after one another. We have much to look forward to this fall, and we hope to see you at Lodge!

Fraternally,

Barry Shaffer
Worshipful Master 2026

Brethren,

I've been trying to figure out who actually reads our messages on the trestleboard. If you do, please go all the way to the end and follow the instructions.

From the South

Juan C. Avendano
Junior Warden

Brethren,

Every one of us walked into this lodge for the first time not knowing what to expect. Someone met us at the door, told us where to stand, and helped us find our words when we stumbled. Most of us can still name that Brother.

That is the part of Masonry I want to focus on this month. We spend a lot of time on ritual and business, and both matter, but the Craft only survives if we keep teaching it to the men who come after us. A new Brother who learns his proficiency with someone beside him is far more likely to stay, to come back, and one day to teach someone else.

So I have two requests. If you are a newer Brother, ask questions. Nobody here expects you to know everything, and those who have been around the longest usually enjoy explaining it most. If you are a more seasoned Brother, offer an hour. Sit with a candidate, go over the lecture, or simply explain why we do what we do.

The work is ours to pass on. Let us make sure it gets passed on well.

Fraternally,

J. Camilo Aberndano
Junior Warden 2026

70 YEARS OF MASONIC SERVICE

Let Your Pennies Make Good Cents

LYPMGC and the Masonic Home

The Let Your Pennies Make Good Cents Program began in 1958. It was created with the intention of every Brother donating a penny a day, to be deposited in an Endowment Fund with the principal never to be touched. The interest from this money would be utilized for the operation of the Masonic Home, which is one of only twenty homes with a FIVE STAR facility rating in Florida, and thereby ensuring the residents of the Home an exceptional quality of life, which they so justly deserve. I am confident that any Brother who visits our Masonic Home will consider his pennies well spent, and will be very proud of our beautiful facility and the comfortable, secure environment that has been created for our Brothers and Sisters. Many Brothers within the jurisdiction of Florida include L.Y.P.M.G.C. in the payment of their Dues to Lodge, in addition to voluntary contributions to the Grand Lodge of Florida. One hundred percent of the funds raised or collected for this program are not discretionary, and cannot be used for other particular Lodge expenditures.

York Rite Bodies

Recently, I went through the York Rite Degrees and enjoyed it. If you love the format of the Blue Lodge degrees, this flows naturally into it. It answers many questions and addresses key gaps in the Hiramic Legend. It's been said that completing only the MM degree, without experiencing the Royal Arch, is like listening to the first part of a song and not finishing it. You can complete only the chapter and council degrees if this is holding you back (commandery). The order of the temple was one of the most impressive and powerful degrees I've experienced

In our awesome district, there are two options to get plugged in:

Cocoa Bodies meets at Brevard 113 2nd and 4th Wednesdays at 7:30pm
James J Joyner Sr is a good POC for Cocoa.

Melbourne Bodies at Harbor City just once a month - 2nd Thursdays.
Matt Green, Todd Forshino, or I can be a good point of contact for Melbourne.

I would love to see York Rite booming in our district. If your Masonic journey has gotten stale, let's add some excitement!
